PARENTING TIP OF THE MONTH ~ Frenemies is a term used to describe a relationship where people are friendly, but share an underlying dislike for rivalry. Unfortunately, sibling relationships can often end up in this category. As far back as Cain and Abel we see sibling rivalry impacting relationships. Parents can prevent sibling rivalry by remembering the following: allow each child to develop different interests; praise each child equally for their different gifts and talents; spend individual time with each child; refrain from taking sides in an argument but help children to work it out between themselves; engage in fun family activities together; pray for each other by name. Parents can indeed help reduce the amount of sibling rivalry in their children’s lives and help them to find love and support from their siblings that can last a lifetime. (from: the Family Ministry Office)

GRIEF RELIEF ~ Has someone you cared about died? Are you grieving the loss of the person’s presence in your life? The Diocesan program is full and will run again the fall to assist those grieving to learn more about what they are feeling and how they can move forward, but you are not alone! Check out the Diocesan website to see what other programs are available to you. <https://hamiltondiocese.com>
