From the Pastor's Desk:

Hi friends,

Last weekend we were reminded to love God and to love our neighbour as ourselves. Hope you are working at it? I am working at it too. Love is meant to be given and not kept. Love always manifest itself strongly in the act of giving, that is why to prove His love for us, the Almighty God had to **give** his only begotten Son for our wellbeing and salvation.

This weekend we are reminded to be generous. Every disciple of Jesus must have in his or her DNA a habit of **giving** after the life of the master who gave his life in ransom for many. In our First reading and the Gospel, we see two widows who demonstrated great acts of charity. These would have been people considered poor in their days, yet they were rich in generosity. No one is too poor to give, so the saying goes. What can we give? **We can give our Time, Talent and Resources for the benefit of others and to the glory of God. Sharing is caring.**

Sometimes the fear of losing what we have or not having enough can cause us to be selfish, stingy and greedy. "...It is more blessed to give than to receive" as the scriptures say

(Acts 20:25). We at St Eugene and St John the Baptist parishes should continue to share what we have for the common good. Let us try to be generous towards the things of God and to our neighbour (family, friends etc). God will not let our generosity go waste. This weekend should be one that you might want to reflect on your life of giving. Have you been generous with your Time, Talent and Resources towards God and others? Do you share what you have with family and friends and those who are in need? Cultivate a life of giving and you will reap a life of abundance.

Your servant in Christ, Andrew.
