News from our Parish

Volunteering for our parish

We are still and always in need of more volunteers to help with taking names and temperatures, and ushering people into the church at both Masses. The more volunteers for each Mass makes it easier to share the time and work involved in making celebrating Mass here possible. Many thanks to our current volunteers, we really can't do it without you all! Please contact the parish office to put your name in to help us.

Marriage Tip of the Month: Couple relationships often experience strain during times of stress and the last several months have provided some of the highest stress many couples have faced. It is important to step back and recognize why tensions might be running high and then engage in actions that can release the pent up stress. Try cooking together, walking, biking, or hiking together, praying together, or any activity that will bring laughter to the day. It may even mean finding ways to have some time apart, whether that be one person outside while the other is in, or one person being on one floor of the house, while the other is on another. Time together is wonderful, but too much can be distressing! Remember that you are in this together and together you can find ways to feel connected and beat any feelings of stress.
