A generous donor has pledged to match all new and increased gifts to the 2010 ShareLife campaign, up to a total of \$500,000. Your first-time gift to ShareLife will be matched dollar-for-dollar this year. For example, your \$50 donation will result in a \$50 matching gift, resulting in a \$100 contribution toward the work of ShareLife agencies. ShareLife social service agencies identified more than \$800,000 in unfunded needs this year – your contribution could help shorten waiting lists, open new shelter beds, and serve more meals for those in need around us. Socks for Happy Feet

"Socks for Happy Feet" is a campaign being held by a group of 3rd year, BSc in Nursing students from Ryerson University. This initiative aims to decrease foot infections among the homeless populations in the Regent Park community in downtown Toronto, many of whom use plastic bags as socks and shoes. The students are hoping to raise awareness of this problem, and collect socks that will be distributed to the homeless residents. If you are able to help and donate new or slightly used socks for our less fortunate brothers and sisters, it would be greatly appreciated. Any contributions may be dropped off at the parish office until Wednesday, March 10th.

If you have any questions, please contact Anna Salonga, one of the students, at anna.salonga@ryerson.ca. Thank you very much for supporting this endeavour. God bless!
