Sts. Peter & Paul

June 29 (faith growth)

Blessed Redeemer, Saints Peter and Paul were leaders and models in strengthening the faith of the infant Church. I ask them to pray for my faith to grow strong. Saint Paul wrote in his second letter to Saint Timothy, "I remind you to stir into flame the gift of God that you have." Wherever I am still a baby in my relationship with You, weak and uncertain, I ask Saints Peter and Paul to pray for me to grow into spiritual maturity. Help me, O Lord, to increase in faith and trust. Where Your presence is but a spark in me, fan it into a flame that brightens other people's lives. Saints Peter and Paul, pray for me. Amen.

We have waited long enough for the restoration and blessing of St. Philip the Apostle Church. I thank you for your co-operation and patience. Now is the time to build up the Christian community by using our gifts and human resources for the common good. We need to take a new approach to work together for the spiritual renewal of our church community. St. Philip is a very special place of worship and a home to all of us who belong to it. Let us pledge to work together for the up-keep of our beautifully restored church. Your acts of volunteerism continue to make St. Philip the house of God that it is meant to be. I will always have fond memories of this holy place and of the precious relationships which I experienced among so many wonderful parishioners. I also thank God for the staff, parents, and children of Philip Coffey Elementary School. May they work together for the betterment of each other, the church community, and the wider human community.
