*Peace and Goodness to All!*

The instructions Jesus gives us who listen to him are to love our enemies, to forgive as we have been forgiven, to avoid judging others and to be generous as God is generous. These teachings bring great challenges to us as Christians to be a light to the world. They can only be realized in our relationships with one another as we are given the grace of God to form our attitudes and practice these principles in every day life. The wisdom that comes through our attempts at living this way makes it possible to grow in wisdom peace and virtue as persons of character and integrity throughout our lives. It is a lifelong struggle and we are called as Christians to engage in this effort daily. He tells us the measure we give in this is the measure we will receive.

The way we engage in this effort involves Stewardship of our time, abilities, talents and resources spent for the good of others. Here at St. Joan of Arc, our mission to live and proclaim the gospel through Stewardship is what makes us a community that welcomes all to become a part of the community that reflects the wisdom, love and generosity of God, so others can come to know and love the Lord as they experience his graceful presence in our midst. As we greet everyone who enters our parish for worship, fellowship and service, we provide them opportunity to encounter the Lord and to become a part of this community that is dedicated to living in the ways and attitudes of Christ. As we invite engagement in the various ministries, services and organizations that proclaim and demonstrate the love of God others can come to understand the attitudes of Beatitude that Jesus teaches because they experience it personally as we extend our love in welcome invitation and inclusion. In these weeks leading to our Lenten journey it is good for us to contemplate ways in which we can renew our dedication to the stewardship of the gospel and then consider some practical measures we can put into place during the Lenten season to enhance our growth and vitality as a parish community as we move into our Centennial celebrations.

Our Lenten retreat will bring an opportunity to share our thoughts, prayers and ideas to continue this process. The date and time of this retreat will be posted in the bulletin and announced in the coming weeks. Let us pray for a fresh outpouring of the Holy Spirit upon all of our efforts to Live and proclaim the Gospel, welcoming all who are called to become a part of this community.

*In the love and joy of Christ Jesus
