## THE PASTOR'S CORNER

Peace and Goodness to you and yours.

Last week we began the discussion of Parish Stewardship in terms of Liturgical Participation in our worship.

Other forms of ministry and service that participate in this mission involves building relationships with God and with one another through Christian discipleship. The organs of the community that do this are named in the following paragraphs.

The **Greeting Committee** members, meet individuals at the door as we are called to worship to help them feel welcome and at home in the parish. The **Welcoming Committee** follows up with individuals who inquire more deeply about the parish to help them to be initiated to the services offered for them. This helps individuals and families to become connected and involved. One of the first services sought by new members often involves **Religious Education and Sacramental Preparation** of children or adults. These functions are served by the dedicated Religious Education volunteers who are led and coordinated by Sheila Malloch, our Director of Religious Education. Adults who seek religious education and Sacramental Preparation are served by the **RCIA Program**, this group is led by Mary Jago, a volunteer, and myself, through the liturgical seasons educating individuals in their faith, and the meaning of the Sacramental life of the Church.

Our Parish mission involves **building a community** that reflects the Kingdom of God through services offered by our parish organizations and committees. One means to accomplish this is through the work of the **Pastoral Care Team**. This ministry brings care and the Sacrament of Communion to the infirmed who cannot come to Church. Through the prayerful hands of our **Scribes**, parishioners who are experiencing life events know of our prayerful attention to their concerns. We offer receptions for the friends and families of those who have died. Luncheons are served after a funeral mass, by our **Funeral Receptions Committee**. For special occasions, when there is a special visitor or a special celebration, our **Receptions Committee** is on hand to provide victuals and hospitality as appropriate to the occasion. The **Social Committee** produces Dinner Dance Parties three times a year it makes sure we sustain our reputation as a "Party Parish". This committee also sponsors a Lenten Soup night to raise funds for our Social Outreach Ministries.

Twice a year we celebrate who we are as a community with a gala **St. Joan of Arc Day** celebration and an "**Advent'ure Sunday**" this requires the teamwork of a special committee that keeps us celebrating who we are as God's Family. For outreach to our senior members we celebrate the monthly "**Merrymakers** Mass and Luncheon" that is sponsored and provided by a dedicated committee. Another group supports the First Friday Mass and Anointing of the Sick at Loyola Arrupe Center followed by coffee and sweets. Our Seniors are ever vigilant for one another, to see that care and services are met for those who need assistance in their later years.

Here at St. Joan of Arc we also host some very important organizations that bring life, holiness and support to our community. Primary among these is the **Catholic Woman's League**, the CWL. This group of women provides social outreach, political advocacy, hands on participation in all of our organizations, and material support through fund raisers, and other activities. It has been a backbone of Christian life and devotion in the Spirit of Mary the Mother of God. The **St. Vincent DePaul Society** has also long been a mainstay of care for the poor and underprivileged in our midst. The **Knights of Columbus** are represented in our monthly First Friday Devotions, as they participate here and several of the surrounding parishes.

On very practical levels we have a **Gardening Committee** to keep our grounds and gardens beautiful (even in the midst of construction). Our **Building Committee** has been focusing on assisting the **Capital Campaign Committee** to bring about the current renovations and is looking toward becoming a Building maintenance committee in the future to forecast needed repairs and renovations before they become urgencies.

Continued in next column

(Pastor's Corner continued)

Our **Finance Committee** provides oversight, foresight, and advisory governance for the solvency and financial health of the parish. These groups work together sharing expertise and assistance for the material well being of the Parish. We are always seeking new volunteers in these areas to step in to rotating terms of service.

To enhance Christian life and formation, we offer hospitality to a **meditation group**, a **Taize** prayer service which is an ecumenical prayer gathering, and a Marion prayer gathering that meets some of the devotional needs of the parish. Sr. Elizabeth has provided some scripture study as she has walked with those who "**Stroll thru Scripture**" as a faith sharing ministry, and we are open to the possibility of a scripture study group growing in the future. We welcome inquiries that involve development to promote spiritual growth in the community and as ever, we seek individual volunteers to develop and sustain these devotional and faith building opportunities.

One outreach that realizes our ministry of reconciliation is the **Winter Welcome Table**. This ministry is sponsored by the Friars of the Atonement, the Sisters of Sion and the Paulist Fathers. It involves both St. Joan of Arc and St. Peter's Parishes. This ministry provides fellowship, good food and warm clothing to guests who come to St. Peters Church each Monday evening in the colder months. Various committees from both parishes prepare the meals and provide support for this shared Christian outreach ministry.

St Joan of Arc Community provides a wealth of opportunity for everyone in the parish to become involved in Stewardship Activities. As the summer progresses we are illustrating this reality to prepare the ground for our **Stewardship Weekend** in September. Our aim is to proclaim this Spirit of Stewardship in Christ, and strengthen our community participation so that we may indeed mirror the Kingdom of God that the Gospel Proclaims.

Please ask God in your prayers and consider how you may be called to serve the community in your life.

May God Bless you Richly in Love and Joy,

Fr. Dan
