*The Friar's Nook*

Pardon me but I can't help myself, "June is busting out all over"! After a week of summer weather, we finally slide into June and get ready to begin summer. I know I'll be ready for summer because this weekend my long beard goes away. I certainly won't miss it and I haven't heard from anyone else that says they will. Last weekend I was at a wedding and one of my friends asked me "What if someone pays you to keep your beard?" I told them they couldn't pay enough! Of course, losing this beard on Pentecost tempted me to think of creative ways of getting rid of it. We could have the fire of the Holy Spirit burn it off, but it might not stop at my beard, so I didn't want to risk that. So now I just need to find scissors that are sharp enough to cut through this mess. I will post before and after pictures so that my COVID beard will be remembered as a thing of the past.

This being Pentecost weekend it is considered the birthday of the Church. We celebrate the Holy Spirit coming down into the lives of Jesus's followers and energizing them to do wonderful things with the Lord's power. It is that same spirit that comes to us and moves us to carry that good news in our lives my word and by action into the world. The Holy Spirit is not an idle Spirit but rather a Spirit of movement blowing in us and through us. As we begin to look forward to summer we should listen to that Spirit moving in us and ask ourselves where is God moving us.

As you know if you've been listening to me or reading these missives, you know that I have been trying to renew and rejuvenate the parish ministries. I can't do it alone and we can't do it alone. We need to follow the movement of the Spirit in all that we do and that certainly applies to the ministries and activities at Saint Joan of Arc. So, during your downtime this summer, take the time to ask yourself where God is leading you and how you can share the good news. It's not always in great ways but mostly in small ways. But everyone working together in small ways with the spirit can do great things.

Last weekend, with the help of the Creation Care Ministry and Development and Peace Ministry, we had our first Sunday coffee in two years. I regret that I was away because I heard it was a smashing success. I guess I'm not the only one who missed getting together with other parishioners. We will continue to do this, as long as we have the people to help with it. It really is a great time to talk with other parishioners, those you know and haven't seen, and those you don't know. As I mentioned last week, even through the pandemic we have been growing as a parish, and now with our coffee time after Mass we get to meet and know each other better.

While I was away last weekend for the wedding, I really missed Sonya. And I know that she missed me by how happy she was to see me when I came back. I am concerned about having to leave her this fall for so many trips. I am hoping to be able to leave her at home, so at least she's on familiar territory. I will be needing additional caretakers for her during that time Not just to feed her breakfast and dinner but also to spend some time with her so that she's not alone all the time. Fortunately, she likes hanging out with the office staff so when this office is open, she has people to visit. If you might be interested, let me know.

Till next week, stay cool (I know I will be without all this beard hair).

**Let's show we care on ShareLife Sunday**

This weekend is the final ShareLife Sunday of the year. But ShareLife is more than a collection. It's how we as a community say "we care." In solidarity with Catholics throughout the Archdiocese, we provide a witness of God's love by actively supporting those in need locally and the greater world. If you have not done so, please give generously during the special collection We will accept donations to ShareLife until July 25th, so we can submit our donations by the deadline July 31<sup>st</sup>. Thank you for supporting our parish's ShareLife campaign.

**Tickets**

Did you get your ticket yet? They will be available before and after the 5:30 pm mass and before the 10 am mass. \$5.00 each and the lucky winner gets to cut off Fr. Bob's Covid Beard. Draw takes place this weekend after the 10 am mass in the parish hall. The lucky winner gets to cut off Fr. Bob's Covid beard in the parish hall this weekend.

**Archdiocese of Toronto**

Those who have been away from the Church may be feeling a tug in the heart from our Heavenly Father calling them back home. We want them back. We have missed them, and our Church is not the same without them. From over 20 years of insights in outreach, Catholics Come Home, an independent, non-profit Catholic apostolate, will discuss trends facing the church, share insights into reaching out to families in particular, and talk about how compassionate messaging can help bring Catholics home. As pandemic restrictions wind down, now is the time to come home! Presenters: Dr. Ryan Hanning, PhD, Catholics Come Home, Professor of Theology and Catholic Studies, University of Mary Instructor, Franciscan University of Steubenville's Catechetical Institute. **10:00 am Sunday Liturgy**

Is live streamed on our St. Joan of Arc Facebook page.

**Bible Study**

Wednesday afternoons with Fr. Bob at 2 pm on our St. Joan of Arc Facebook page. (When Fr. Bob is in town.)

**ENVELOPE USERS!**

Please print your names on each of your offertory envelopes. At the present time we are unable to record donations with numbers only. We are having problems with the computer program. I am hoping that I can record the envelopes I have not been able to, once I can put numbers to names.

If you would like a box and never had one, just leave a message for me in the office and one will be left in the hall for you. We are using 2021 envelopes to save money, because so few were collected in 2021. Someone is using a number in the 500's and our numbers don't go that high this year.

**First Communion & Confirmation Photos**

Are posted on the bulletin board wall in the parish hall. The families of these classes are welcome to take the photo's of their children
