"June is busting out all over." May's been a crazy month with heat and cold and heat and cold but now we're into June and as Spring is now firmly entrenched and growing so too does our world look like it may return to growing. I'm looking forward to seeing what things begin to open up in Toronto, including of course churches, but for me especially the border in the coming month.

For the Church it's also a time of growth. Although as we move into "Ordinary Time" it doesn't seem that exciting. I was told by one of my teachers at seminary that there is no such thing as ordinary time - it's all extraordinary because it's all part of God's salvation plan for each of us. But starting this week we move back into green as being the operative colour in Church. It's the season that lasts the longest during the Church year and fortunately I have a variety of green Crocs to wear. The Church chooses green as the colour for Ordinary Time because green is the colour of growth and it's during the ordinary times of our lives that we are called to grow. Imagine if we only grew during special times, we would be a stunted Church and a stunted society. With the lockdown we've had over the past year, I imagine that you as well as I have done a good bit of growing - but not necessarily in the healthy way. I can still fit into my clothes, but they are much snugger than they were before the pandemic. So, reducing is one way that I need to continue to grow during this time. Growing and changing can be hard and we can't really do it well alone. Fortunately, there are support groups for many things and there's the help of God and grace for everything. We would be wise to avail ourselves of these as they are gifts to us, from God and from others.

I know for me I await the time when the Church doors can reopen, and we can see each other face-to-face and be together once again. But this time in the Church reminds us that we are still called to grow in these extraordinary times! So, it would be a good thing to think about the areas in our lives where we need to grow that we may be closer to Christ. If you recall in the Bible there are many stories of Jesus bringing healing and growth and yet being rejected for it. That just proves that people in general want to remain the same and are fearful of change. But we need to remember, Jesus often told us not to be afraid. Fear is the opposite of trust, and what we are called to is trust in God. But this can't be an idle trust, it must be an active trust. We can't simply wait for God to make all the changes, in our life in our world, we need to move forward to be part of those changes to make our worlds a better place. A place of peace, a place of love, a place of welcome to all. I will be the first to admit that it can be scary to take a step into the unknown. But, if we're following Christ then he's always ahead of us and therefore we have no reason to fear. Jesus doesn't push us, forward into a dark room and say, "go find the light switch and I'll join you". He calls us to follow him, stay behind him, and he will keep us safe. But that means we need to continue to follow, continue to move ahead. Faith comes into play in the greatest way when we don't know where we're going because that's when trust that God knows where we're going and is leading us gets us to where God wants us to be. Remember I said where God wants us to be not necessarily where we want to be ourselves.

So as things spring up all around us and our world gets greener, within the Church and without, we should be reminded to grow. But we should also be mindful that there are splashes of reds and yellow, flashes of purples and oranges and it's these things - the fruits of growth - that make the world and the Church a more wonderful place.

I look forward to seeing our growth when we are reunited,

Fr. Bob

New Parish App!

St. Joan of Arc is launching our own app for iPhone and Android smart phones. This will allow us to better communicate with you throughout the week and keep you updated with relevant parish news or updates. The app is very well designed and very intuitive. It is a great resource for parishioners by providing daily Mass readings, Catholic news and prayers, convenient prayer and Confession reminders, our bulletins and more. We hope for our new app to be a tool for fostering stronger parish life at St. Joan of Arc and better stewardship. You can either look for “MyParish” in your app store and select St. Joan of Arc Parish in the setup or scan the following code.

Living the Gospel by supporting the Deaf community

ShareLife funded agencies have been working on the front line of the Covid-19 pandemic. One of them, Silent Voice, has been continuing to offer programs in ASL (American Sign Language) to the Deaf community. “You are indeed agents of change, enabling Silent Voice to provide entirely accessible programming, in ASL, that open the world to vulnerable Deaf adults, youth, children, and their families.”

— Kelly MacKenzie, Silent Voice

Sunday, June 20 is the next ShareLife Sunday. Please give generously.

Father’s Day Novena

The Novena starts June 20, 2021. Due to the pandemic, we will not have cards this year. You can list your names on the **outside** of the envelope and enclose \$5.00 per name in the envelope and drop it off at the parish or mail it in.
