Lent

Fifth Sunday of Lent*The Friar's Nook*

I was at Graymoor last week and reminded of something that our founder, Father Paul Wattson started many, many years ago. We were a community small a number but large in reach due to his principle of UNBL, the Union that Nothing Be Lost. He was inspired by the scripture passage where Jesus multiplied the loaves and told his disciples to gather the fragments so that nothing be lost. We didn't have much financially but what little we had he wanted to share with others so that no thing or no person might be lost. He began the Union that Nothing Be Lost, as a way to raise funds for those in need but not for any of our missions. A fund was begun and has been added to over the years and each year organizations write in asking for financial aid for their mission or project and money is dispersed annually. In order for the Friars to participate, he started a self-denial week in Lent where Friars would deny themselves some comfort and put the money into the UNBL thereby spreading out our reach to those in need around the world.

I was thinking that there are not many people who are aware of this and consequently the UNBL funds have not increased by much, so I thought I'd do my part to make this known. I invite you to make a self-denial week and take the money you would put toward some comfort and contribute it to the UNBL thereby making you into missionaries even though you might never leave home. I have encouraged the Friars in their fundraising to publicize this principle of "maximum for God, minimum for self" because I think there is a real desire for people to do something and not know how to help. This gives them an opportunity through their charity and generosity to do the corporal works of mercy throughout the world to those in need. As I said, the Friars are excluded from receiving any funds from this, all the funds must go to the missions. I realize that there are a lot of things that ask for your help and assistance but why settle on one when you can make a donation that will reach a wide audience and continue to produce money for them in the future.

If you are interested in participating in the UNBL you can send chequess to Graymoor with the note "for UNBL" in the memo. As Friars of the Atonement, we believe that no one and nothing should be wasted whether it is a waste of possessions, the environment, or a life. I invite you to participate in the vision of Fr. Paul that we may commit the minimum for self so that we can commit the maximum for God and his creation.

*In His Peace,
Fr. Bob*

ShareLife Sunday

ShareLife Sunday marks the first collection for our parish's annual campaign. In the words of Cardinal Collins:

"Vulnerable members of our community are relying on you and me to ensure ongoing access to the care they so desperately need. This is why it's crucial we meet our parish campaign goal. Our goal can be met, but only if we each do our part." Our parish goal this year is **\$57,600.00**. Please give by using a ShareLife envelope.

Marygrove Camp (Mary Grove Special collection will be June 11) Marygrove Camp is a residential camp situated on Georgian Bay, near Penetang, Ontario. Open to eligible girls ages 5 – 13, Marygrove provides an 8 day camping experience for children who may not otherwise have the opportunity to enjoy a camping adventure. Families who are experiencing financial or domestic hardship may contact the Society to determine their eligibility. The Society of St. Vincent de Paul, Toronto Central Council, helps over 1,000 girls each summer, registering eligible campers through home visits. Are you interested in making a difference in a young person's life? Consider applying for a position on staff. **Young women who are dedicated to working with children**, especially in an outdoor setting, can apply for positions including: Camp Counselors, Counselors-in-training and Kitchen Staff. See application in parish hall on large bulletin board.
