FRIAR'S NOOK

Happy and blessed Mother's Day to all you mothers out there and to all who show that motherly care to the people in their lives. I have been blessed in my life with a loving mother but also many other loving women, aunts, sisters, cousins, nieces, friends. Whether they have children or not they still give and sustain life and are a blessing for the people in their lives. Do not take them for granted!

I have been online with the Stewardship Committee, the Finance Committee, and the RCIA this week. Although the work of the committees is restricted by our isolation, we are still trying to move ahead during this time albeit slowly. It's also great to see familiar and friendly faces!

I was looking at the statistics on our Facebook page and saw that last week's bible study had nearly four hundred viewers! I don't know where they are coming from but I'm glad people are getting something out of it. (I just hope I don't become a meme!)

I was reminded that our Sunday Mass viewership is far higher than I thought. There are 300 – 500 households watching Mass not just individuals. Some are watching as couples, others are watching as families, so the number of attendees is considerably higher. Some are watching on their TVs and while you can't fast forward, you can always mute me! I think when this is all over, we should have a pajama Mass to help ease you back into Sunday Mass.

I have been continuing to clean inside and weed whack outside so the place should be ready for you when you return. In the meantime, Fr. Ken and I pray for you daily and hope that you are staying safe and healthy, physically and mentally.

I got the letters from our Confirmation class requesting to be confirmed. They brightened my day. The sincerity and honesty were refreshing.

Don't forget that God is always with you and will guide you back to us we reopen.

Till then, peace,

Fr. Bob

The Road Ahead

My Lord God, I have no idea where I am going. I do not see the road ahead of me. I cannot know for certain where it will end. Nor do I really know myself and the fact that I think that I am following your will does not mean that I am, actually doing so. But I believe that the desire to please you does in fact please you. And I hope I have that desire in all that I am doing. I hope that I will never do anything apart from that desire. And I know that if I do this You will lead me by the right road though I may know nothing about it. Therefore, I will trust You always though I may seem to be lost and in the shadow of death. I will not fear, for You are ever with me, and you will ever leave me to face my perils alone. (Thomas Merton)

A Corona Virus Prayer

Jesus Christ, you traveled through towns and villages "curing every disease and illness" At your command the sick were made well. Come to our aid now in the midst of the global spread of the coronavirus, that we may experience your healing love. Heal those who are sick with the virus. May they regain their strength and health through quality medical care. Heal us from our fear, which prevents nations from working together and neighbors from helping one another. Heal us from our pride, which can make us claim invulnerability to a disease that knows no borders. Jesus Christ, healer of all, stay by our side in this time of uncertainty and sorrow. Be with those who have died from the virus. May they be at rest with you in your eternal peace. Be with the families of those who are sick or have died. As, they worry and grieve, defend them from illness and despair. May they know your peace. Be with the doctors, nurses, researchers and all medical professionals who seek to heal and help those affected and who put themselves at risk in the process. May they know your protection and peace. Be with the leaders of all nations. Give them the foresight to act with charity and true concern for the well-being of the people they are meant to serve Give them the wisdom to invest in long-term solutions that will help prepare for or prevent future outbreaks. May they know your peace, as they work together to achieve it on earth. Whether we are home or abroad, surrounded by many people suffering from this illness or only a few, Jesus Christ, stay with us as we endure and mourn persist and prepare. In place of our anxiety, give us your peace.

Jesus Christ, heal us. AMEN.
