REFLECTIONS ON STEWARDSHIP

The mystery of the Transfiguration alludes to the teaching of the Church called divinization, in which we believe that we humans will be made like God. The USCCB in their *Pastoral Letter on Stewardship* states that "God wishes human beings to be his collaborators in the work of creation, redemption, and sanctification; and such collaboration involves stewardship in its most profound sense." Let us take some time to reflect on the teaching of divinization and strive to be greater stewards in our parishes, for to be a good steward is to be like Christ..

DOCTRINAL CORNER

What is the value of private revelations?

While not belonging to the deposit of faith, private revelations may help a person to live the faith as long as they lead us to Christ. The Magisterium of the Church, which has the duty of evaluating such private revelations, cannot accept those which claim to surpass or correct that definitive Revelation which is Christ.
