World Mission Sunday - Special Collection Today

There will be a second collection today for the Evangelization of the Nations, otherwise known as World Mission Sunday. Since 1922, the Pontifical Missions Societies through the Society for the Propagation of the Faith has supported the temporal needs of missions as well as created awareness of the work of the missions throughout the world. Some examples of projects include: building churches, pastoral centers, cathedrals damaged by tsunamis and earthquakes, religious houses of formation, homes for the clergy, formation programs for lay missionaries, radio and television production, audio-visual materials for remote mission areas as well as support of pastoral work in various rural dioceses. We are called to share from our abundance with those less fortunate who lack the basic essentials to know, love and praise God.

Thank you for your support! www.missionsocieties.ca
