AN EXCERPT FROM THE MESSAGE OF HIS HOLINESS POPE FRANCIS FOR THE THIRTY-FIRST WORLD DAY OF THE SICK FEBRUARY 11TH, 2023

"Take care of him"
*Compassion as a synodal exercise
of healing*

Dear Brothers and Sisters,

...These past years of the pandemic have increased our sense of gratitude for those who work each day in the fields of healthcare and research. Yet it is not enough to emerge from such an immense collective tragedy simply by honouring heroes. Covid-19 has strained the great networks of expertise and solidarity, and has exposed the structural limits of existing public welfare systems.

Gratitude, then, needs to be matched by actively seeking, in every country, strategies and resources in order to guarantee each person's fundamental right to basic and decent healthcare.

The Samaritan calls the innkeeper to "take care of him" (Lk 10:35). Jesus addresses the same call to each of us. He exhorts us to "go and do likewise" (Lk 10:37). As I noted in *Fratelli Tutti*, "The parable shows us how a community can be rebuilt by men and women who identify with the vulnerability of others, who reject the creation of a society of exclusion, and act instead as neighbours, lifting up and rehabilitating the fallen for the sake of the common good" (No. 67). Indeed, "we were created for a fulfilment that can only be found in love. We cannot be indifferent to suffering" (No. 68).

On 11 February 2023, let us turn our thoughts to the Shrine of Lourdes, a prophetic lesson entrusted to the Church for our modern times. It is not only what functions well or those who are productive that matter. Sick people, in fact, are at the centre of God's people, and the Church advances together with them as a sign of a humanity in which everyone is precious and no one should be discarded or left behind.
