Immediate sacramental preparation is the responsibility of the parish and it is a *parish*, not a *school* event. **You should register for sacramental preparation with your home parish (the parish closest to your home whose geographic boundaries you live within or where you regularly worship as a registered parishioner).** If this is not St. Cecilia Parish, you must contact your home parish as soon as possible as they may have already begun registration for their programmes. We hope to finalise the 2020-2021 programme plans for our parish soon and we will share the details with the parish and the schools.

**ShareLife Sunday: Last weekend to contribute  
to our Parish Campaign**

People with addictions are among the many marginalized groups supported by your gift to ShareLife. "These uncertain times are especially difficult for our addiction clients who already face isolation, food and housing insecurities, and struggle with mental wellness," reports St. Michael's Homes, a ShareLife-funded agency. "We suspect the need will continue to increase throughout the pandemic and into a post-Covid environment."

Your gift to ShareLife ensures St. Michael's Homes can continue to help people overcome addiction, as demand for their programs grows.

**This weekend is ShareLife Sunday and the final day to make your donation to our parish campaign. If you give by the end of the weekend, you can double the impact of your donation. A generous donor is matching gifts up to \$500,000. Please give during the special collection or anytime using the ShareLife envelopes at the back of the church. You can also give securely online at [sharelife.org/donate](http://sharelife.org/donate).**
