MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

Your ShareLife gift is a lifeline to families in need

Many individuals and families silently suffer from depression, anxiety, grief and trauma. ShareLife-supported Catholic Family Services agencies provide a lifeline to those dealing with mental health challenges. "Your generosity allows us to assist some of the most vulnerable and marginalized members of our community. Without access to free support, they would be left alone and unable to get the help they need. Each donation impacts a life for the better. Thank you."

– Elizabeth Pierce, Catholic Family Services of Durham

Please give at the parish using a ShareLife envelope, online through our parish website, or at sharelife.org/donate.
