MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

SHARELIFE

Your gift to ShareLife ensures our grandparents and the elderly are not forgotten

Philip and Helene built a life together—decades of love, laughter, and memories in the home they created. But as the years passed, Philip worried he wouldn't have the strength to care for Helene on his own.

Through ShareLife, Philip and Helene were connected to Les Centres d'Accueil Héritage, where a case manager showed them a way forward. With the help of the Homemaking program, a team of personal support workers now visits them regularly—so they can stay together, where they belong. On World Day for Grandparents and the Elderly, thank you for ensuring that our grandparents and the elderly find dignity and peace. Please give at the parish using a ShareLife envelope, through our parish site, or at sharelife.org/donate
