Faith and Gratitude *a woman's perspective*
What does prayer, fasting and alms giving look like in a pandemic? We may feel we have sacrificed enough in the past year to fill a lifetime of Lents. But have we really? Lockdown is difficult, stay at home orders infringing on our freedom; our inability to see, hold our kiss our children and grandchildren. Yes, these are tremendous sacrifices, but I don't think they'd get us off the hook where Lent is concerned.

All this staying at home, all this ceasing of our normal routines...this is a wonderful opportunity to stop the busyness; to think and to pray. Ok, parents with children, trying to work from home while helping their kids with online learning...your busyness has not stopped for a second. In fact, it's probably increased, along with your stress level. Then there are those who have been out of work; their places of employment shut down for months, or shut down for good. The homeless are still homeless, their situation made worse by the closing of institutions they rely on for help.

But we all can look at this time as an opportunity to put our faith and trust in God. Our worrying does nothing to help the situation; neither does our complaining. Our gratitude and our prayers can be a miraculous boost to our spirits, as well as a gift to others.

What do we have to be grateful for in the midst of a pandemic? The beauty of the sun glinting off the frost covered trees; the pristine quality of new fallen snow; the fact that, after almost a year in each other's constant presence, we can still find joy in being with our spouse. Maybe that's not everyone...perhaps you're tired of each other's constant company; maybe you hate the snow, but look deep down within and you will find those things for which you are grateful. Then thank God in prayer.

Fasting – or depriving ourselves of those things which give us pleasure, is a way of helping us to focus our attention on God. That feeling of deprivation should remind us of what we are doing and why, keeping God forever close.

Our local organizations have been struggling with all the shutdowns, making their fundraising efforts all the more challenging – in some cases, more work for half the reward. Be generous in your alms giving. Even if your finances have been strained, a few dollars, given by us all, would be a tremendous boost to places like Safe 'N Sound, OSHaRE, the local food bank, and the Grey Bruce Pregnancy Centre. There's much we can do in a pandemic, to make the world a better place. Whatever you do throughout this Lenten season, do it with gratitude in your heart, a prayer on your lips and, most especially, do it with love. *Margery Frisch*

Marriage Tip of the Month: In February we celebrate Valentine's Day, a day created to celebrate love and a great month to think back to the days of dating we experienced with our spouses! Days when we flirted, complimented, spent endless hours talking, hated to be apart and planned and went on dates! Now compare it to your time together today – have you given up all or most of these actions?

Marriages that continue to have relationships that reflect their dating days feel connected, vitalized and loved. Why not consider making February a month of renewal for your marriage? Purposely create a relationship with your spouse where you give them your time and attention by making them your number one priority and ignite that same spark of love you felt in those early days of dating.

Marriage Enrichment – Want to enrich your marriage in the comfort and safety of your own home? Join the Virtual/Online Worldwide Marriage Encounter experience from **March 5 - 7**. During these stressful times, give your marriage a booster shot! Restore your loving communication with your spouse and rekindle the romance. The Marriage Encounter experience is a skill-building enrichment program where together, you, as husband and wife, learn how to be the best couple you can be. No group discussion. Based on Catholic values but open to couples of all faiths. Rediscover the love in your relationship! Contact: Marge & Gerard McCauley at gerard.marge@rogers.com or (905) 792-1925 or visit the website at: www.me.org

The *Share Love, Share Lent* Campaign is inspired

by Pope Francis's encyclical, *Fratelli Tutti* and its call "for a love that transcends... geography and distance" and "allows us to acknowledge, appreciate and love each person."

Each week, the campaign explores a different aspect of Development and Peace's work and offers you ways to become involved. This week, meet one of our partners from the Global South and create your own fundraising web page! Discover more activities and join Catholics across Canada on a journey of love and solidarity throughout the Lenten period. Follow our solidarity calendar at devp.org/lent.

For the Sick, our fellow parishioners and family members who are in need of our prayers: for – Glenn Juniper, Mike Adams, Pat McIntyre, Paul Baggett, Lynn Gilmour, Brenda Richter, Maynard Dietrich and Bradley Bishop, **We pray to the Lord.**

We are rebuilding our prayer list. If you or a loved one are in need of prayer, please call the office. Each September, we will begin our list anew.
