WHAT MAKES CHALICE SPONSORSHIP DIFFERENT?

How can I describe Chalice to a friend?

Chalice is Canada's largest Catholic child sponsorship
organization. That does not mean the children have to be
Catholic to be sponsored. Children are selected for
sponsorship based on need and family circumstances,
regardless of race, age, ability, gender, or religion. Our
Catholic identity roots our service as a Eucharistic offering
to Jesus.

We work in 52 sponsor sites, spanning 13 developing
countries. Each site is under local direction. Our partners
are a mix of religious congregations and organizations, lay
and community groups.

When you sponsor a child, you begin directly supporting
that child, and through them, their whole family. That is
thanks to our sponsorship model, which is called 'family
funding.' Our family funding sponsorship model is unique
in Canada. The premise is simple: the child's parent or
guardian (usually their mother) knows what the child and
their siblings need most. Therefore, your child's
sponsorship funds are deposited directly into his or her
bank account, which Chalice helps them to open.

Each month, parents meet in 'family circles' of about 20
with a Chalice field worker. At these meetings, they
account for their spending, create group savings, engage
in microloans, and even form small businesses. These
groups are places of prayer, support, and solidarity.

When given the power and knowledge to be decision-
makers, the parents uplift their families. Your sponsorship
funds help not only your child finish their education, but
their siblings too. By creating savings, your child's family
can set and achieve goals to raise their standard of living,
such as creating a small business for a self-reliant income.
Your funds help the whole family access better nutrition, or
make their homes safer, or whatever they need to chart a
brighter, more successful future for all.

Drop-in Center

The Center is located in the former Knox Presbyterian
Church at 58 Erie St. S in Leamington. It will be open **7 days**
a week from 6-10pm to those experiencing homelessness
or those simply needing a warm safe place to go during
these hours.

At The Center we are **offering a hot meal, snacks, coffee,**
wifi, warming supplies (coats, hats, gloves, etc.), and
clothing. We will also be providing a list of local
resources to bring awareness to existing supports here in
Leamington.

This is an initiative by Street Angels- a program of
Feeding Windsor Essex.

We are still in need of volunteers to staff The Center.

Interested parties can reach out to us via email

at **streetangelswindor@gmail.com.**

If you have any questions or want to connect don't hesitate
to reach out by phone at **(519) 997-1556.**

Please pray for the children making their first communion in the coming weeks.

12 HOURS OF PALLIATIVE CARE

"You matter because you are you, and you matter to the end of your life"

Today's society wants control of everything – money, happiness, possessions and even of when they die. Medical Assistance in dying (MAiD) is constantly being made more available. People living in stressful situations or poverty and with sickness, disability or old age may find nowhere else to turn and MAiD is considered an option. We ask you to pray and ask for palliative care to become an essential service to all Canadians.

Pope Francis said "We are experiencing a strong universal trend toward the legalization of euthanasia. Even in harsh circumstances, if the person feels loved, respected and accepted, the negative shadow of euthanasia disappears. This is because the value of his/her being is measured by the ability to give and receive love, not by his/her productivity."

Currently only 15% of Canadians have early access to palliative care in their community. Medical Assistance in Dying and euthanasia are not considered to be palliative care by the World Health Organization and the Catholic Church. Palliative Care is a means of accompanying someone who is extremely vulnerable and significantly dependent on others for care. Palliative care combines pain management with efforts to attend to both the patient's and caregivers' whole needs.

St. Michael's Catholic Women's League is organizing a day of prayer. Tuesday May 2 8am-8pm. You may pray at church or commit to praying 1 hour at home.

Please sign the postcard and mail to the prime minister and your local MP (no postage required)

There is also a webinar to learn more about Palliative Care – information to the right
