Dear Pastor/Pastoral Team:

This is to advise that the Windsor-Essex Catholic District School Board is seeking input to its 2024-25 Budget Development through a budget survey which has been posted on the Board's website at [www.wecdsb.on.ca](http://www.wecdsb.on.ca). The survey seeks to receive input on areas where there is flexibility to make local decisions on how funds are spent.

When setting Budget priorities, the Board strives to dedicate significant resources to the realization of its primary objectives of faith development and student achievement. Since faith development is not directly funded through Ministry of Education grants, the Board identifies efficiencies in other areas and re-directs the savings to make faith formation a priority. Student achievement is stressed for all students and the Board remains deeply committed to an inclusionary model of education.

I would very much appreciate your assistance in forwarding the following information to our supporters. If possible, a notice in your parish bulletin similar to that posted below would be helpful.

"The Windsor-Essex Catholic District School Board is seeking input to its 2024-25 Budget Development through a budget survey which has been posted on the Board's website at [www.wecdsb.on.ca](http://www.wecdsb.on.ca). Interested stakeholders are invited to provide comments using the survey. Additional information and survey instructions are provided on the Board's website. Survey submissions are encouraged by Friday, March 1, 2024."

Thank you for your continuing partnership in Catholic education.
