Alliance of the Two Hearts Devotion

First Friday - First Saturday Alliance of the Two Hearts Devotion honours the Sacred Heart of Jesus and the Immaculate Heart of Mary. The Blessed Mother has requested prayers and reparation be made on several occasions throughout history: • Jesus first appeared

in 1675 to Sister Margaret Mary Alacoque in France. He spoke to her of the outrages, sacrileges and indifferences by which He is offended. Jesus asked her to make reparation for nine First Fridays to His Most Sacred Heart. •

At Fatima in 1917, Our Blessed Mother asked the three children for reparation to be made on five consecutive First Saturdays for the sins committed against her Immaculate Heart. • On May 18, 1936, Sr. Lucia revealed Jesus' desire to have the devotion to the Immaculate Heart of His Mother be put alongside the devotion to His Most Sacred Heart. By

our commitment of living this devotion of reparation and prayer which are our spiritual weapons, we will bring back families to the church and restore holiness and unity in our homes, parishes and the world. This devotion takes place on six continents every **First Friday and First Saturday of the month**. Please join us on **Friday, July 7th at 6:00 pm** and on **Saturday, July 8th at 8 am** and every First Friday

and First Saturday of the month to honour the Sacred Heart of Jesus and the Immaculate Heart of Mary by your prayer and reparation. For any questions about the First Friday – First Saturday events or to schedule an

Enthronement and Consecration of your home to the Sacred Heart of Jesus and the Immaculate Heart of Mary, please contact **Mary Ann at 519-990-8113 or Myrna at 519-990-1431**.

Retrouvaille

You will not share your personal struggles with others. The Retrouvaille program is not a marriage encounter, marriage retreat, marriage counseling, or a marriage seminar, although they share some similarities. You will not be sharing your struggles with other people. You will hear from couples that have been through the program themselves. They will share their journey from brokenness to reconciliation.

Upcoming weekend - **August 11 - 13, 2023**

For information about Retrouvaille in London - St. Thomas call (519) 243-0687 or email

retrouvaillelondonstthomas@gmail.com

or visit <http://www.retrouvaillelondon.com>

Chalice

Chalice works in impoverished communities to help struggling families overcome the cycle of poverty. Education is the first and most important step in breaking the cycle. Too often, children must skip class or drop out of school to carry water, care for siblings, or earn money for their families.

Sponsorship gives children the support needed to overcome obstacles so they can attend and stay in school, and allows families to provide nutritious food and better care for their children. Children are selected for sponsorship based on need and family circumstances, regardless of race, age, ability, gender, or religion. Education gives every child the opportunity to shine.

Ukraine Regional Assistance Fund

Although the recent security situation in our Ukrainian sites has been relatively stable, families and site staff continue to struggle with frequent air raid sirens and lengthy power outages. Additionally, families must try to cope with the ongoing hardships of lost wages and increases in the cost of almost everything.

In light of Ukraine's ongoing struggles, we are continuing to accept donations to the Ukraine Regional Assistance Fund, to help families cope with the hardships they continue to endure. A generous Chalice supporter is offering a **matching gift of \$500,000 for donations** to the fund. **To donate go to: chalice.ca**

Save a Family Plan

The Family Development Program is SAFP's core program, dating all the way back to 1965. It aims to help families meet basic needs, as well as promoting self-reliance and sustainability.

YOUR COMMITMENT

By partnering with a family, our donors commit to making contributions of \$22 every month for 6 years. This money directly supports the family to help them start a small business and to assist them in meeting their basic human needs. Throughout this time, families also attend training to help them live a more healthy life and participate as active members of their communities.

HOW IT HELPS FAMILIES:

- Provides access to medical assistance
- Covers most education costs for their children
- Improves living conditions by helping repair/build homes
- Provides a support system within their local Sangham
- Offers financial support for their small businesses
 - Offers skill development opportunities
 - Reduces burden on a single parent
 - Reduces any accumulated debt
- Increases access to clean drinking water
