World Day for Grandparents and the Elderly

The third World Day for Grandparents and the Elderly will be celebrated on **Sunday, 23 July 2023**. Pope Francis inaugurated this World Day to be celebrated by the universal Church each July, either on or near the liturgical Memorial of Saints Joachim and Anne, grandparents of Jesus, to help "treasure the spiritual and human wealth that has been handed down from generation to generation". Pope Francis' chosen theme for this year's World Day is "**His mercy is from age to age**" (Lk 1:50), raising the relational interconnection between the old and the young.

Save a Family Plan

The Family Development Program is SAFP's core program, dating all the way back to 1965. It aims to help families meet basic needs, as well as promoting self-reliance and sustainability.

YOUR COMMITMENT

By partnering with a family, our donors commit to making contributions of \$22 every month for 6 years.

This money directly supports the family to help them start a small business and to assist them in meeting their basic human needs. Throughout this time, families also attend training to help them live a more healthy life and participate as active members of their communities.

HOW IT HELPS FAMILIES:

- Provides access to medical assistance
- Covers most education costs for their children
- Improves living conditions by helping repair/build homes
- Provides a support system within their local Sangham
- Offers financial support for their small businesses
 - Offers skill development opportunities
 - Reduces burden on a single parent
 - Reduces any accumulated debt
- Increases access to clean drinking water

Those attending World Youth Day

A message from Pope Francis

Lisbon, Portuguese

"To you, the young who are preparing to meet in Lisbon or to celebrate World Youth Day in your own countries, I would ask: **before you set out on your journey, visit your grandparents or an elderly person who lives alone!** Their prayers will protect you and you will carry in your heart the blessing of that encounter. I ask you, the elderly among us, to accompany by your prayers the young people about to celebrate World Youth Day. Those young people are God's answer to your prayers, the fruits of all that you have sown, the sign that God does not abandon his people, but always rejuvenates them with the creativity of the Holy Spirit."

A Program for Couples in Struggling Marriages

It is for couples with marriages that are struggling, not communicating well, and those who are considering marriage separation or divorce. It is also for those who are already separated or divorced that want marriage help. Some couples come to Retrouvaille during the initial signs of a marriage problem. Other couples are in a state of despair and hopelessness when they attend the program. Some couples have been married for many years, while others have been married only a short time and encountered trouble.
