### Praying the Rosary during Lent

On **Wednesday February 22, 2023**, our parish began The Parish Rosary Program. Each week parishioners are asked to either email to the church office ([esscatholic.ca](mailto:esscatholic.ca)) or drop a slip of paper in the collection basket with the number of rosaries they prayed the previous week. Weekly, and grand totals will be printed in the church bulletin.

There are many reasons to pray the rosary: reparation for sin, world peace, political civility, the end of abortion, souls in purgatory, the intentions of the Holy Father, vocations, lukewarm and fallen away Catholics, marriages, and those in the most need of God's mercy. But perhaps the best reason of all is by praying the rosary as Blessed Mother has requested, is that she will bring us closer to Jesus and in the process we will become more Christ like. All adults and children are asked to participate.

### Development and Peace: a movement of solidarity

#### The courage to Create Hope

#### **Colombia: defence of land and territory**

Colombia is home to nearly 10 per cent of the planet's biodiversity, yet it is also one of the most dangerous countries for people defending their land and territory against exploitation.

Development and Peace — Caritas

Canada's partner, the Asociación

Campesina de Antioquia (ACA, Peasant

Association of Antioquia) supports peasant communities affected by armed conflict in defending their lives and territories and in building a culture of peace through filmmaking and art.

This Lent, meet our solidarity visitor Raquel Soto, a participant in ACA's documentary filmmaking school. Learn more at [devp.org/lent](http://devp.org/lent).

#### **Standing for the Land in Honduras**

Honduras's diverse ecosystems, fertile lands and rich natural resources attract many profiteering enterprises that overexploit the land to no benefit for local communities.

Development and Peace — Caritas Canada supports Equipo de Reflexión, Investigación y Comunicación (ERIC, Reflection, Research and Communication Team), an organization that helps communities in their struggle for land and territory and investigates human rights abuses. This Lent, meet our solidarity visitor Elvin Hernández, a human rights investigator at ERIC.

Learn more at [devp.org/lent](http://devp.org/lent).

#### **Dear Parishioners**

One year ago, Erie Shores South Family of Parishes, through the Diocese of London, sponsored a mother and a 9 year old daughter. Our sponsorship agreement has now expired and this family is struggling to earn enough income to pay the rent, utilities, basic food needs and clothing. Since she is a single mom, she has to attend work while at the same time be available for her child's needs. This mom and daughter have been an absolute joy to be with. They are respectful, hard working, appreciative and striving for a better life. Both are fluent in English and understand how to utilize technology to pay bills, etc.

It is our hope that someone in the parish would have the space to rent out a room to this small family...

I would sincerely ask that you open up your heart to the idea and strongly consider our request. This family needs our assistance until the mother completes additional courses to obtain a better paying career.

For more information, please contact:

or **Frank Moauro Chairperson- Refugee Committee**

*Please pray for those celebrating the sacrament of confirmation over the coming weeks. May the Holy Spirit guide them in the path of Christ.*
