## Journey Through Lent Video Series

The CCCB is pleased to announce that the Journey through Lent video series, which includes reflections on the readings for Ash Wednesday and each Sunday in Lent, including Palm Sunday, is available. It is a joint project between three CCCB offices (the Office national de liturgie, the National Liturgy Office, and the Office for Evangelization and Catechesis). This year's spiritual reflections are delivered by the Most Reverend Gary Franken, Bishop of St. Paul (in English), and the Most Reverend Michel Proulx, O.Praem., Bishop of Bathurst (in French). The videos are available on the CCCB Website in English at [www.cccb.ca/lent](http://www.cccb.ca/lent) and in French at [www.cecc.ca/careme](http://www.cecc.ca/careme).

## Romeiros/Pilgrims

According to the rich tradition of the island of São Miguel, in Azores, during the Lenten seasons, pilgrims (romeiros) leave from their home parishes and walk on foot around the island, which takes 7 days, stopping at most parishes around the island for specific prayers. The prayers are usually done in melodic, mournful chant. Each night they are lodged by families in the parishes or in community centers. This tradition is continued here at St. Michael's. The pilgrimage/Romaria is led by a gentleman whose title is the Master (Mestre) of the Romeiros and is Sr. José Correia. The Romaria/pilgrimage is planned for **April 5. Please meet at St. Michael's for 1p.m.** For more information: Please contact sr. José Correia. 519-326-1700 (Por favor ligue para o sr. José Correia).

# Exploring the Mystery of the Shroud of Turin

Two Day  
Special Event

March 24  
and March 25

*Come and experience a life-sized exact replica of the Shroud of Turin!*

The Shroud of Turin is the cloth that Jesus was buried in which now bears an amazing image of Jesus. Many think that the image was imprinted on the cloth at the moment of resurrection. It is called the Shroud of Turin because the original has been kept in the town of Turin, Italy, but the Shroud has had many different names in the course of history.

There has been much scientific study made of the shroud and the details of the study are amazing.

You will learn about the significance, history and science behind the Shroud, one of the world's most fascinating religious artifacts.
