#### **FROM THE FAITH FORMATION AND VOCATION COMMITTEE (FFVC)**

Last month, we provided an overview of Integral Faith Formation – a holistic approach that develops the whole person in four interlocking components: intellectual, spiritual, human, and apostolic. This month, we focus on the intellectual aspect.

Many people today ignore the truth and buy into the prevailing view that the Catholic Church is out of date. However, the Church is a treasure house of unchanging truth, and we need to become a portable version of this treasure. We should spread Church teachings to others since the salvation of souls depends on it. Ways for us to grow in knowledge of Church doctrine include attending parish Bible Studies, learning the Catechism, and getting to know Church History.

The Church has consistently affirmed the indispensable role of intellectual formation in the life of faith. As *Fides et Ratio* teaches, faith and reason together lead the human person to truth (Introduction). As we progress in our intellectual formation, our faculty of reason will develop, and we will pursue the truth. We can then ask the Holy Spirit to help us become beacons of Christ's light.

### **DEL COMITE DE FORMACION EN LA FE Y VOCACION (FFVC)**

El mes pasado, presentamos una visión general de la Formación Integral de la Fe, un enfoque holístico que desarrolla a la persona en su totalidad a través de cuatro componentes interrelacionados: intelectual, espiritual, humano y apostólico. Este mes, nos centramos en el aspecto intelectual.

Muchas personas hoy ignoran la verdad y se adhieren a la opinión generalizada de que la Iglesia Católica está desfasada. Sin embargo, la Iglesia es un tesoro de verdad inmutable, y debemos convertirnos en una versión portátil de este tesoro. Debemos difundir las enseñanzas de la Iglesia, ya que la salvación de las almas depende de ello. Algunas maneras de crecer en el conocimiento de la doctrina de la Iglesia incluyen asistir a los estudios bíblicos parroquiales, estudiar el Catecismo y conocer la historia de la Iglesia.

La Iglesia ha afirmado consistentemente el papel indispensable de la formación intelectual en la vida de fe. Como enseña *Fides et Ratio*, la fe y la razón juntas conducen a la persona humana a la verdad (Introducción). A medida que progresamos en nuestra formación intelectual, nuestra facultad de razonamiento se desarrollará y buscaremos la verdad. Entonces podremos pedirle al Espíritu Santo que nos ayude a convertirnos en faros de la luz de Cristo.
