THIRTY-SECOND SUNDAY OF ORDINARY TIME

November 11th does not pass on the calendar without our recalling the meaning of the day, the day of armistice when the guns fell silent to end the First World War.

Once again, we call to mind the sacrifices of the men and women who were involved in both world wars, and indeed all wars, but also the suffering of the families who felt their loss.

All war is a great offence to the peace that God wants for His people. It is truly a tragedy that war and conflicts still continue today in so many countries. As Jesus said: "*They must turn from evil and do good; they must seek peace and pursue it."*

Let us pray:

God of love and justice,
today we remember all men and women who died in defense of our country, its freedom, and other countries besieged by war.
Help us to honour their sacrifice through our prayers and actions for peace in our world.
Send your Spirit to help us to let go of misunderstandings, hatred, and prejudice so that we may grow together as one family of humanity.
Guide our steps in the way of peace.
We ask this prayer through Jesus Christ,
the Prince of Peace. Amen.

St. Leo the Great – Memorial Day Thursday Nov 10th

St. Leo the Great became a very well-known deacon of the Church by 431, serving the church under the pontificate of Pope Celestine I. Leo was widely respected for his love for the Lord, intelligence, and persuasive nature. He was also gifted in bringing reconciliation between disputing groups of Christians.

Pope Leo was deeply dedicated to his service as pope. He saw himself as privileged to sit in the Chair of St Peter, as the servant of the servants of God. He worked diligently as "Peter's successor." Over time, Leo became known as one of the best administrative popes of the ancient Church. But he was so much more.

During his reign, he tirelessly fought to preserve the unity of the Church and its faith; and to ensure the safety of his people against invasions from armies which sought to destroy the Church and the Christian influence on culture which she brought to bear.

Leo died on November 10, 461. He wished to be buried as close as possible to St. Peter's tomb. His body was first laid in the entrance of St. Peter's Basilica but was later moved inside the basilica in 688.
