Thank you to our Knights and volunteers for their work on Our Lady of Guadalupe grotto at our church.

We are very grateful to our Knights of Columbus and other dedicated volunteers who have offered their gardening skills to help us make the Our Lady of Guadalupe grotto a more inviting and beautiful prayer space. The project has only just begun but the initial signs give us great excitement and anticipation. We express our special thanks to **Ken van Winkle**, a dedicated and talented Knight and parishioner who used his artistic skills to restore and beautify Our Lady's statue. We look forward to the completion of this amazing project!

Update

Cardinal Collins asks us to make a devotion to The Sacred Heart of Jesus. [Click here to learn more](#)

We need to know Jesus, personally, and deep in our hearts. Focusing on the Sacred Heart leads us to the very heart of who Jesus is, the divine person who took on our humanity, who journeys with us, who meets us on the road, as he did with the discouraged disciples on the road to Emmaus. We need that intense experience of encounter, that will change our lives, and we can find it in the Sacred Heart devotion, which leads us to the Gospel and to the Eucharist.

Living the Liturgical Seasons at Home: Summer/Fall Ordinary Time

The green of Ordinary Time symbolizes this spiritual growth as we learn to know the Lord through the Scripture stories of his teachings, miracles, and healings. How can we take the blessings of this season into our homes and make them part of our lives?

Young at Heart staying active!

June is Senior's Month and our Young at Heart Ministry (over 150 members strong) continues to flourish despite the pandemic. We run weekly line dancing/exercise classes led by Susan Lao on ZOOM every Wednesday at 10:30 am.

If you would like to join, please call Jane Ng Cheong at 416-830-5204. We currently have over 50 participants in our exercise classes and are always ready to welcome new members.

This program has been made possible by a grant received through the New Horizons for Seniors Program, a government of Canada program, which covered the cost of purchasing computer and video equipment and operating costs.
