"He who refreshes others will be refreshed"

Proverbs 11:25

THE LORD IS RISEN! ALLELUIA! EASTER FEVER!

This is Easter! It isn't a myth—it isn't just a hope: it's our reality. Christ was dead, and Christ is now alive—and we will live forever! Isn't that fantastic news?!

Well, it should be. But the question is—do we believe it? I mean, really believe it? Or do we have "low-grade faith"? You know, it's kind of like having a low-grade fever: we walk through our faith in a fog, half asleep, achy and tired. Maybe we caught the high-level "fever of faith" when we were kids; but then the newness wore off. Can we believe feverishly anymore?

Dr. Eben Alexander was a Christian "more in name than in actual belief" who had lost the fever. But then meningitis put him into a coma; and when he awakened he told a remarkable story of visiting heaven, seeing sights and hearing unimaginable music, even talking with others he knew to be dead. Suddenly he had the intense faith that he thought he had lost.

Maybe you doubt it even happened. But can't we use his story to spark our own religious imagination about what lies after death? Eben learned "You are loved and cherished, dearly, forever; you have nothing to fear." He'd been a skeptic who never believed in near-death experiences. But he experienced God and all creatures in a divine unity: "Everything was also a part of everything else, like the rich and intermingled designs on a Persian carpet, or a butterfly's wing."

We are much more than our brains and bodies. The miracle of Easter is what has made this possible. So let us rejoice, and be glad in it! And let's get on with the journey!

forgiveness in guilt and shame,
communion in separation,

the human in God
and in the I, the You.
Have a gentle and Blessed Easter Season!

Working wonders in our livelihoods...

"The services provided by ShareLife agencies are lifesaving and life-restoring to those who rely on them. People with developmental challenges are supported as they experience a sense of self-worth and fulfillment in their daily activities. Families are working through crises and are healing. Seniors are living independently, with access to the care and services they need. Refugees and new Canadians are guided toward a stable, productive livelihood in their newfound home. Sometimes the results are obvious and sometimes they're invisible but, always, they're tangible."

—Thomas Cardinal Collins, Archbishop of Toronto
