MASS MINUTES

What is Mass?

The mass is the single most important activity that any of us can participate in on Earth. In the Mass the whole Church offers in union with Christ the supreme act of worship. Jesus Christ, as God and man, redeemed us from our sins by offering Himself to His Father as a worthy and acceptable sacrifice on the cross, dying in reparation for the sins of everyone. The Holy Mass in the liturgy of the Eucharist is as if we are going back in time to Christ's Passion and death. Since God acts in eternity, His actions are not limited to time and space. So just as what appeared to be bread and wine to the Apostles at the Last Supper on the night before Christ died was in truth as he said His Body and Blood offered for the redemption of all people. The Eucharist at Mass appears as bread and wine, but is truly the very same Body and Blood of Christ that underwent the crucifixion. The Sacrifice at every single Mass is the exact same Sacrifice and not a repetition. Christ's sacrifice happened only once, and at Mass the Priest, who represents Christ, offers that same Sacrifice.

Fun Facts: Did you know...

Worship comes from Old English and means worth script, to assign worth. To give someone highest praise and importance. True worship belongs only to God.

Liturgy comes from Greek, it means for the good of the people. Mass is something we do for the good of everyone.

Eucharist comes from Greek and means thanksgiving.

Mass comes from *Missa* which is Latin. In the Eucharist, God blesses us; however, it originates from the last line of the Mass, *ita Missa est*, (this is the blessing), said by the deacon and a reminder that we have not celebrated mass until we've said the last prayer.
