## OUR LORD JESUS CHRIST, KING OF THE UNIVERSE

"Jesus of Nazareth is so intrinsically king that the title 'King' has actually become His name. By calling ourselves Christians, we label ourselves as followers of the king, God did not intend Israel to have a kingdom. The law was to be Israel's king, and through the law, God Himself. So now God devised a new kind of kingship for us. The King is Jesus; in Him God entered humanity and espoused it to Himself. This is the usual form of the divine activity in relation to mankind. God does not have a fixed plan that He must carry out; on the contrary, He has many different ways of finding us and even of turning our wrong ways into right ways. The feast of Christ the King is therefore not a feast of those who are subjugated, but a feast of those who know that they are in the hands of the one who writes straight on crooked lines."

Pope Benedict XVI

*Excerpt from Magnificat (Rev. Peter John Cameron, O.P.).*
