Palm Sunday recalls Our Lord's triumphal entry into Jerusalem at the very beginning of the same week in which He would be arrested, tortured, condemned to death and executed on the cross.

All four evangelists tell us of this dramatic moment in Our Lord's journey to Calvary, but it is St. John who tells us the detail which gives the day its name: that the people of Jerusalem cut branches off palm trees to wave in celebration of Jesus's coming among them. It is worth concentrating on this event now, not only because it gives the day its name and sets the scene for the week ahead.

The Gospel at Mass on Palm Sunday is always one of the accounts of the Passion by Matthew, Mark or Luke. Hence this Sunday's other name: "Passion Sunday". (St. John's Passion is always read on Good Friday).

SHARELIFE 2025 You empower youth to embrace God

SL Your devotion enables the Office of Catholic Youth to fulfill their mission of helping youth and young adults to encounter, love and serve Jesus Christ. Through your loving support of ShareLife, young people are empowered to become Christian leaders who know Christ and have a growing relationship with Him. Aspiring youth and campus ministers, like Laura, form spiritual habits through workshops and formation retreats. They learn practical methods to engage the youth of today and help them deal with everyday pressures. *"These formation sessions have equipped me with a firm foundation in the faith," she says, "enabling me to pass on authentic Catholic teachings to the young people in my care."* Please give at the parish using a ShareLife envelope, online through our parish website, or at sharelife.org/donate.

RECENT FEDERAL RECOMMENDATIONS

On February 21st, Cardinal Leo sent a letter to the Honourable Dominic Le Blanc, The Minister of Finance, to express his profound concerns about the recent Finance Committee's pre-budget report.

In this letter he speaks to recommendation 429 to: *"No longer provide charitable status to anti-abortion organizations."* And recommendation 430 to: *"Amend the Income Tax Act to provide a definition of a charity which would remove the privileged status of 'advancement of religion' as a charitable purpose."*

Among the points Cardinal Leo makes is that there are countless groups and associations in our country that enjoy charitable status with views that differ from large segments of the population for any number of reasons. And that a government truly at the service of the population must necessarily consider that our Canadian society, is made up of innumerable persons and communities who are religious and for whom religion places a most important role in their life and activities. **Please take a copy of Cardinal Leo's letter that is available at both entrances.**
