### Pope Francis Prayer Intentions for May 2017

#### CHRISTIANS IN AFRICA

That Christians in Africa, in imitation of the Merciful Jesus, may give prophetic witness to reconciliation, justice, and peace.

## HIS CHURCH WILL ENDURE

Then came our own times and with it another death. Her death (the Church's) this time was inflicted not by executioners, but by other Pilates. These were dangerous days, for any civilization is in a bad way when it becomes indifferent, like another Pilate, to the answer to the question: "What is Truth?" From inside and outside of the Church sprang up that old Greek error that there is no truth — an error which, for want of a knowledge of its ancient ancestry, was called Modernism. Truth was de-rationalized, error rationalized, and proofs brought forward to prove all proofs worthless. Teachers who bedecked themselves in the robes of prophets became insulted if told they were not gentlemen, but remonstrated mildly if told they were not Christians. Minds now were told, and they began to believe, with the force of repetition, that we must be indifferent to both error and truth; that it is a lack of broad-mindedness to make up one's mind; that it makes no difference whether God exists, whether Christ is God, or whether the Sacraments do actually communicate Divine Life — the only thing that matters is the subjective impression such beliefs have upon the feeling of the believer. Minds began to live by catchwords, phrases covered up loose thinking, and there was hardly an ear that did not hear such catchwords and phrases as "Life is bigger than logic," and "The Christ of Faith is not the Jesus of History."

**The new spirit of the age** was seemingly burying the Spirit of Christ. Books and articles were shot from the press, and in 1907 there hardly was an article written that did not say that the Church had now definitely reached its end. The world was asked to chant her Requiem; a great stone was rolled before the door of her sepulchre; the watch set. "She would never rise again." And according to every human law she never should have risen from the dead! But for some mysterious reason the Giant stirred. War was on. Long-range guns were tearing great gaping wounds in majestic Cathedrals; ploughshares were beaten into swords; cannon fire changed poppy fields into Haceldamas of blood. And lo and behold! That which was thought dead was seen on the battlefields pressing a crucifix to dying lips; and when the smoke of battle cleared and the mist lifted, she was seen walking in the glory of her new Easter Morn; and even now as men watch her she grows! **Christ, then, must have meant what He said when He declared that His Church would endure even to the consummation of the world.**

**WE STAND ON GUARD FOR THEE**

This year marks the 20<sup>th</sup> National March For Life Rally in Ottawa and the 150<sup>th</sup> anniversary of Canada's confederation. Start with **Mass at 6 am at St. Francis Xavier and leave at 6:30 am from their parking lot** on an air conditioned coach and return about 9 p.m. Cost is just \$40. **ShareLife**  
**Living the Gospel by providing for those in need...**  
*"One of the core components of our Pastoral Plan is Catholic Outreach in Justice and Love. As a Catholic community we are called to be the hands and face of Jesus in our communities. One of the ways that we do this is through our annual ShareLife appeal, which provides resources to agencies serving the poor and marginalized not only in our archdiocese, but also around the world. ShareLife is a tangible way that we can put the Gospel value to love one another as I have loved you into action, and I invite all parishioners to support the mission work of the Catholic church by making a sacrificial gift to ShareLife. . ."* - Thomas Cardinal Collins, Archbishop of Toronto of Toronto
