DISCIPLE MAKER INDEX (DMI) SURVEY: Assumption Parish is on a journey to know, love, and serve Christ in our parish community. Together, we must embrace Christ's vision for missionary discipleship so our parish can thrive and be a place where others can grow in faith.

The very first step in this process involves assessing our greatest strengths and opportunities, and that is where the DMI comes in! It is an important tool that invites you to reflect on your discipleship journey here in our parish.

The DMI invites parishioners to reflect on their discipleship journey, enables parish leadership to make data-driven decisions, and helps parishioners grow in their faith.

The 10-15 minute survey can be accessed through the online link from Dec. 1-31. All responses will be confidential, and the parish will only receive information about the community as a whole. We will share the link with you closer to the survey launch. Paper surveys will also be available for those who are unable to complete the survey online.

Thank you for helping with this important project, and please continue to pray for this intention and for the growth and protection of our parish.
