***All Saints Stewardship*: Following Those Who Have Gone Before Us**

On this Solemnity of All Saints Day we contemplate those holy men and women who have gone before us and reached their heavenly destination. The saints always utilized the gifts that God gave them to serve Christ and His Church in their own unique way dependent on their particular gifts. As stewards we should seek their intercession and follow their example by using our own unique gifts to serve the Church.

FEAST OF ALL SAINTS today... will honor a number of children dressing up as their favorite Saint. We will also have the Baptism of Will Lackie. All Saints' Day honors both canonized saints and all faithful Christians who have lived holy lives. It emphasizes the unity of believers—living and departed—and the "great cloud of witnesses" referenced in Scripture (Hebrews 12:1). We especially honor our very own... St Augustine and his Conversion!

A celebrated passage of the ***Confessions*** **(Book X, ch. 27),** written by St Augustine around 398 AD in Hippo. It sums up in the form of a prayer his entire search for God: the beauty who sought him while he sought her outside, in the many. Read in the Liturgy of the Hours (Office of Readings, memorial of St Augustine, 28 August). "***Late have I loved you, Beauty so ancient and so new, late have I loved you!"***

DOWN MEMORY LANE... The History of St Augustine's

In plans for building a church today... costs are in the millions of dollars. Purchase of the land, usually first, and then the actual construction, materials and labour, continued costs. For today's church's you need to have 50% funds secured to go ahead! It was July 10, 1955, at 2 pm, the sod was turned for construction of St Augustine Church that would end up costing $178,000 not including furnishings. A group of 300 parishioners watched the ceremony as the senior choir, under the direction of **Father Cyril**, provided music. Building the new church presented challenges. (no kidding) The building lot initially did not have city water and sewer services, adding the expense of a septic system. The land had turned out to be full of solid rock which had to be blasted with dynamite, extra costs incurred in facing the realities over time!

Anne Rolfe, Margaret Heaslip, Brenda Gervais, Pat O'Neill, James Fraser, Richard Bowen, Marie Springhall, Paul O'Grady, John Leman, Deacon Chris Moffat, Frances Grandbois, the seniors at the Ravines and at Stirling Park, those who are isolated, lonely and thos**e suffering from mental illness**
