MARRIAGE TIP

Being able to count on your spouse is a vital component of a healthy and happy marriage. We establish this kind of relationship by discussing what behaviours and actions we want to expect from each other. Couples need to create a list of expectations that they each agree will be helpful to their day-to-day married life. The list might include: setting a boundary on cell phone and computer use during family/couple time; agreeing to saying I love you daily; using manners during daily interactions; praying together at one or more points during the day; having a hug or kiss of greeting each time you depart or reunite during the day; agreeing to speak the truth about feelings, not bury them within. An agreed upon list put into action brings feelings of security and deeper love.

Coffee Social

Please make sure to join us next weekend for our coffee social after each Mass on Sunday May 31st. Baked goods are always Welcome!
