Society of St. Vincent de Paul

During the last week of March, the Society of St. Vincent de Paul held its annual Easter Program for families in need. During this program, 89 families were provided with gift cards to help make their Easter special for their families. In addition to the Easter Program in March, the Vincentians made 18 home visits to offer support to those most vulnerable in our community. They also delivered Cobs bread to 87 families in the month of March. We extend our sincere thanks to the parishioners of St. John the Baptist Church for your ongoing support to those less fortunate in our community. We are pleased to share with you the impact you are making in your community and thank you for helping us make a difference for our neighbours.
