PARENTING TIP OF THE MONTH #170 Our children learn from their parents and family, more than from any other source. They are watching more than listening, so be aware of your own actions so you can influence them positively. They also judge themselves according to how we treat them: love, respect and dignity should be at the base of all we say and do with them. So, spend time with them, have fun together and see how healthy and strong they will become!

Teresa Hartnett, Family Ministry Office.
