### SMALL PRAYER GROUPS

Have you ever considered joining or starting a small prayer group? These small groups are important to the life of the Church because they foster a deeper community, support spiritual growth and personal sharing, and provide a tangible way to live out faith in daily life. These groups offer a space for intimate fellowship, where members can share their lives and pray for one another, which builds stronger bonds and helps them apply their faith in practical ways. They serve as an essential complement to larger parish life, creating a network for immediate support and care. If this interests you, please contact the parish office and leave your name and contact information.
