Remember Your Parish in your Will

It is always a blessing to the parish when a parishioner remembers their parish in their will. Your parish does not receive any support from the government or any other source. It is the folks who sit in the pew and who contribute financially who keep the parish running. There are many worthy causes; surely St. Anthony of Padua is one of them.

Twenty-Third Sunday in Ordinary Time September 12/13, 2026

In today's first reading, St. Paul reminds the Romans that, as Christians, they no longer live for themselves but for the Lord. In doing so, he reminds them that they are stewards of all that God has entrusted to them, called to live—and ultimately die—in Christ. Stewardship reminds us that we are all entrusted with the many gifts God has in store for us. These gifts are given so that we may live lives filled with grace, sharing His love and faithfully carrying out all that He calls us to do.

This Sunday marks the official launch of our Archdiocesan Appeal, now titled ***Together in Mission***.

This is a meaningful opportunity for each of us, as disciples, to share in the responsibility of building up the mission and ministry of the Church. Through our prayers, participation, and generosity, we express our commitment to the life and future of our parish and archdiocese.

Our parish goal has been set at 127,399.00, which includes 72,532.00 dedicated to our Assessment. So far, we have collected \$57,579.00, we still need \$69,820.00 to reach our goal.

Every gift, no matter the size, is a sign of stewardship and gratitude—an expression of our desire to support and strengthen the Church we share.

Together, we are called to be active stewards of God's gifts, building a vibrant and faithful community through ***Together in Mission***.
