Physician-Assisted Suicide and Palliative Care

On the Blessed Trinity website, Dr. Luigi Castagna's recent post-Communion address to the parish is available for further reflection. Donors who donate funds for one brand new wheelchair (\$190.00) will receive a beautiful certificate of thanks with a photo of a wheelchair recipient. Thank you for your support - KOFC Council 11681 Blessed Trinity.

Palliative Care – There is a compelling need for palliative care in Ontario. Cardinal Collins mentioned in his address to all parishes that less than 30% of those needing end-of-life care can find it. Availability of palliative care is what is needed, not doctor-assisted-suicide. There is a small group of parishioners and health care professionals, who have a vision to care for people needing inpatient palliative care. Their plan is to create a place where patients and their families will receive care imbued with the value of compassion, and which provides total care from physical, social and spiritual care. Setting up hospices will be an effective way to achieve this objective and to this end they are engaging communities and organizations that have similar values. They need people with a diversity of backgrounds to realize this dream. If you are interested in volunteering with them, please contact Bob Parke or Ron Forbes at hospiceprojects@gmail.com or call 416-577-1406.
