"As an Iraqi Christian, the Office for Refugees has provided me with the opportunity to meet other people who have experienced the same thing that I have. We are able to help support each other in this new journey to Canada and without ORAT, I do not know where I would be today. It is possible I would still be in Jordan, afraid for my life, unable to practice my religion, and under threat of deportation. The work that ORAT did truly gave me hope and a chance at life, free from persecution and fear. ORSAT has also invited me to volunteer with them and I am even able to sponsor a new person or family to come to Canada with their help." -
