Living the Gospel by helping families in crisis ...

Having experienced childhood sexual abuse, Tom originally sought counseling treatment for resulting depression at a local clinic. Since Tom had experienced the death of his wife, his increased drinking, drug addiction, suicidal thoughts, depression and financial loss had placed an immense strain on his relationship with his mother and two sons. Over 21,000 individuals received help in getting their lives back on track through ShareLife-supported Family Services Programs. ***The next ShareLife Sunday is May 7, 2017. Please give generously.***

Blessed Trinity Refugee Family – Our sponsored refugee family should be ***arriving within the next one to two months***. All seven family members (five adults and two teenagers) may not arrive at the same time, which presents several scenarios for their need for temporary accommodation. We cannot secure permanent housing until they are all physically in Toronto. The family is from Iraq and speak Arabic with a little English. We need your help and have two potential needs.

Accommodation in your home for three-four family members for two-three weeks – we would require two bedrooms or basement accommodation, etc. and/or

Furnished accommodation for three-four family members for one-two months, where they could be self-sufficient, while they await the other family members. Rental fee can be negotiated, if required, for the duration of the stay.

Proximity to Blessed Trinity would be preferred. If you can help, please contact the parish office.

The Association of Hebrew Catholics

The Association of Hebrew Catholics presents: **"Finding Jesus: Searching for Salvation in the Hebrew Scriptures"** with Dcn Peter Lovrick, Professor of Homiletics, and Director of Formation for the Permanent Diaconate, St Augustine's Seminary. How does Jesus save? How does His dying on the cross actually do anything for our souls? Using various explanations by Church Fathers, theologians, and the Jewish Scriptures, Deacon Peter will help us find the answer. This will be an interactive and dynamic presentation, and it promises to be a rich and invaluable learning experience. All are welcome.
