STEWARSHIP BULLETIN REFLECTION

St. Teresa of Avila is famously quoted for saying, “from sour-faced saints, good Lord, deliver us.” She believes that Christians who are on fire for their faith shouldn’t be downcast but instead be joyful stewards of Christ. In today’s Gospel, Jesus says “let your light shine before human beings so that they may see your good works and give glory to your Father in heaven” (Matt 5:16).

When people see us, they should be able to see the love and joy that emanates not from us, but from God dwelling within us. As stewards, we should fight the temptation to become complacent or robotic in our good works, doing them as if we’re on autopilot. Instead, we should strive to be intentionally joyful and light-hearted as we serve Christ and His Church. Let us ask ourselves today, does our demeanour as stewards showcase the reality of God’s transforming love to others? Does our light truly shine forth as a witness to the world?
