There are just a few weeks left in our Jubilee Year, which concludes on **Sun. Dec. 28, 2025**. A listing of these churches and resources for your visit can be found at:

### STEWARDSHIP BULLETIN REFLECTION

What does it mean to hope in the Lord? The seven brothers and their mother depicted in the first reading from 2 Maccabees can help us understand what true hope looks like. As all of them are being tortured, one of the brothers boldly declares, "you dismiss us from this present life, but the King of the universe will raise us up to an everlasting renewal of life." In the midst of apparent sheer defeat, they remain steadfast in their hope.

Living lives of stewards also means living lives of hope. As we begin to embrace the lens of stewardship and start striving to revitalize our parish communities through the gifts of our time and talents, we could unconsciously expect vast changes to occur over night. This could lead to discouragement as the desired results aren't coming about according to the timeline we had envisioned. with full hope that the Lord will greatly bless us and our parish community.

Let us continue to serve God as we heed the advice of St. Padre Pio who says, "**Pray, hope and don't worry. Worry is useless. God is merciful and will hear your prayer.**"
