Thanks to all our parishioners who give so generously.

Congregation of the Sisters of Our Lady of Usambara

The Sisters of Our Lady of Usambara is a growing congregation of over 600 African nuns, whose work is caring for the poor and most deprived people in the northeastern region of Tanzania. Rt. Rev. Bishop Eugen Arthurs, I. C. founded the congregation in collaboration with Precious Blood Sisters, CPS to address the needs of the local church within the diocese. To date, the Sisters have expanded services outside of the diocese. The area of ministries includes but not limited teaching religious education to young people, providing services to the poor and the sick, and providing education in schools and colleges.

Also, the Sisters provide food and shelter to the poor and needy people and run orphanages for helpless children who have lost their parent to malaria endemic, HIV/AIDs and other killer diseases. Provide care to malnourished children and medical services to people. The present of malaria endemic and other killer diseases leads to high demand of medication and medical needs which leads to shortage of or no medication. Very poor medical equipment's is a serious problem. in our area leading to unnecessary deaths. Our community has health centers where children, elderly and others can access medical treatment and education/seminars.

Water is an essential requirement for life, we all need water to survive. In most of our ministry the shortage/no water is a serious problem. In some of our schools' students go for days without water, forcing them to walk for miles to collect water.

The sisters run kindergarten through high schools, two years catechetical and theological training. And a Montessori training college to prepare teachers to teach in low level classes in our education system.

Great demand for food, clothing and shelter. People seeking for food have become our daily guests. Being the local congregation with local nuns as members, the Sisters understand difficulties, problems and opportunities within the community we serve. The problem is shortage of resources to serve people. Your generous support will highly be appreciated. Be assured of our daily prayers.
