FLU SEASON and THE SIGN OF PEACE

For the next few months, we will refrain from shaking hands during the Sign of Peace. Please don't be offended if someone chooses not to shake hands with you during the Sign of Peace. An appropriate gesture for those who are concerned about spreading the flu virus might be to strive for **eye contact** rather than physical contact. You could **clasp your hands together and bow gently** to those around you, and with a **smile say "Peace be with you," or "Peace of Christ."**
