*The month of July is dedicated to The Precious Blood of Jesus. The entire month falls within the liturgical season of Ordinary Time, which is represented by the liturgical colour green. This symbol of hope is the colour of the sprouting seed and arouses in the faithful the hope of reaping the eternal harvest of heaven, especially the hope of a glorious resurrection. It is used in the offices and Masses of Ordinary Time.*

**JULY INTENTION OF POPE**

**FRANCIS: Our Families**

We pray that today's families may be accompanied with love, respect and guidance.

Christ's description of His audience, that day in Galilee, is unfortunately as true today as it was then. His message of salvation has been preached to a great part of the world's population, but the proportion of those who accept it and live up to it, is about the same today as it was then. There are millions of men and women today, in what was once Christian Europe, who are like the seed sown on the unplowed path. They refuse to accept the message, they have no thought for their future, they are content to end in the grave after their few years of misery and hardship on this planet. Are some of us perhaps, like the seed that fell on the rocky ground? While Christianity makes no very difficult demand we are all for it, but when it demands mortification, the curbing of passion, real sacrifices for our neighbour, do we forget our Christian calling then and ignore its precepts? And how does our type of Christianity stand up to the temptations of the world— breaking God's commandments weekly or maybe daily? Are we chasing after wealth and power, using all our energies to rise in the world to be above our neighbour by fair or foul means? If the above are our aims in life, our Christianity has been or is being choked out of us.
