Lord God, we entrust to you the families and communities affected by Coronavirus, wherever they may be.

We pray especially for health care workers, that you may guide and protect them.

We pray that your Spirit might inspire those researching new medicines and treatments.

And in the midst of this, keep us strong in faith, hope and love. Grant us the courage and perseverance to be good neighbours.

May the words of your Son Jesus Christ in the Our Father, be our prayer as we entrust ourselves and all of us who are affected to your infinite power and love.

The Prayer Process by Mathew Kelly Dynamic Catholic

In the Prayer Process we take time - a minute, two minutes or maybe ten minutes - to spend time with the Lord every day. Pick a specific time when you will pray; ex. Morning Prayer or Night Prayer, it is an intentional way that we grow in our faith. The seven steps of The Prayer Process are as follows:

1. **Gratitude:** Begin by thanking God in a personal dialogue for whatever you are most grateful for today.
2. **Awareness:** Revisit the times of the past twenty-four hours when you were and were not the-best-version-of-yourself. Talk to God about these situations and what you learned from them.
3. **Significant Moments:** Identify something you experienced today and explore what God might be trying to say to you through that event (or person).
4. **Peace:** ask God to forgive you for any wrong you have committed (against yourself, another person, or Him) and to fill you with a deep and abiding peace.
5. **Freedom:** Speak with God about how he is inviting you to change your life, so that you can experience the freedom to be the-best-version-of-yourself.
6. **Others:** Lift up to God anyone you feel called to pray for today, asking God to bless and guide them.
7. **Finish:** by praying the Our Father.
