### The Third WORLD DAY FOR GRANDPARENTS AND THE ELDERLY will be celebrated on Sunday, July 23, 2023.

*Purpose of the Day:* To show care gratitude and affection for grandparents and the elderly and to help them feel part of our Christian family and our history. They too can share their faith and hope with younger people which can help society to recognize the value of the elderly.  
*Theme: "His mercy is from age to age"* (Luke 1:50) God's mercy is seen throughout history and remembered by the testimonies of those who pass it on to their children and grandchildren. Grandparents and the elderly fill this role, but they are also called to receive God's mercy, remembering that God is always with them. ### PARENTING TIP OF THE MONTH

–Summer should be a time of relaxation, slowed schedules and time spent together as a family. All

three of these are essential elements for good mental health for all family members, including children. So, together spend time outdoors, play games, cook or bake and pray because these are the moments that will strengthen your family bond. Take a holiday from social media and devices while doing so, which can help to prevent the negative mental health issues in children they are known to produce. Renew your commitment to in person, device free time together this summer and watch your children thrive. *From the Family Ministry Office*
