"Celebrating 50 years"

Around 1983 - The Second Church Roof Installation

The Church's original roof was replaced with a new roof using low slope asphalt

shingles. A heat trace system was installed along the perimeter roof trough to improve the melting of snow and ice that tended to accumulate during the winter season. The Pastor during this maintenance project was Rev. Ron Morelli.

Catholic Education Week 2016 begins on Sunday, May 1st. The Catholic schools in our parish will engage in a series of events to celebrate the ongoing gift of publicly-funded Catholic education. You are invited to discover what celebrations are happening in your children's school and if possible, attend. Publicly-funded Catholic education has existed in Ontario since 1841 and its graduates have served Ontario and Canada very well. The current generation of students in our publicly-funded Catholic schools will serve with the same spirit and generosity as their previous generations.

Pope Francis has declared 2016 a "Holy Year of Mercy" as a way for the Catholic church to "make more evident, its mission to be a witness of mercy". The Holy Year began on December 8, 2015 and will be celebrated until November 20, 2016. Throughout the year, there will be a series of jubilee celebrations on the theme of mercy for teenagers, deacons, the sick and disabled, prisoners, catechists and clergy. As well, Pope Francis opened the Vatican's Holy Door on December 8th. The Holy Door is opened to evoke the concept of forgiveness which is the main focus of a Holy Year. The theme God's mercy is illustrated in fifteen of the sixteen bronze panels that make up the Vatican Door. There are seven such Holy Doors in the world, including one in Quebec City.

Catholic Education Week 2016 combines both the theme of mercy and the act of opening doors of reconciliation, mercy and forgiveness to all around us.
